## OUR CLIENTS

## PRAISE

**DAIEK WOODWORKS IS FORTUNATE TO WORK WITH THE VERY FINEST ARCHITECTS, DESIGNERS, CONSTRUCTION MANAGERS, GENERAL CONTRACTORS AND BUILDERS. ALL HAVE A PASSION FOR EXCELLENCE AND CLIENTS THAT DEMAND NOTHING LESS. WE ARE PLEASED TO SHARE MORE OF THEIR IMPRESSIONS OF THE DAIEK WOODWORKS EXPERIENCE AT OUR WEBSITE: WWW.DAIEKWOODWORKS.COM.**

■ ■

Above: This church interior makes use of thousands of square feet of custom-veneered panels. They were all formed, cut, built and finished in the Daiek Woodworks shops. Careful measurements were taken in the field to verify dimensions and prepare detailed shop drawings. The finish carpenters were pleased with the accuracy of the units and the clients were thrilled with the results.

■ ■

**Our goal is ultimate quality and the highest levels of customer satisfaction. We are proud to share our passion for excellence with others who demand the very best.**

“As is so rarely seen in the construction industry, Daiek Woodworks combines all the attributes of a fine millwork shop. Starting with fair and appropriate pricing, Daiek presents accurate shop drawings, outstanding workmanship, care and expertise in material selection, refined finishes, and courteous, professional salesmanship and problem resolution.”

*Mosher, Dolan, Cataldo and Kelly, Inc.*

“Taking a proactive approach ensures the success of a project and Daiek Woodworks’ attention to detail has been a great asset.”

*Frank Rewold and Son, Inc.*

“Woodworking is a craft where the artisan attempts to build a product that is not only aesthetically pleasing, but one that is practical, sound and meets the standards of those who are to use the work in their everyday lives. Daiek Woodworks has proven to me over the years that they surpass those thresholds of excellence in woodwork and millwork.”

*Michael Willoughby and Associates - Architects*

Above (top): At Daiek Woodworks, experienced craftsmen have the tools they need to produce work of uncompromising quality.

Above: Ongoing investment in plant and equipment puts new technology to work for you while it enhances our craftsmanship and improves our productivity.
